When information from your check is used to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day you make your payment. Re-presented Check Transactions and Fees. You may authorize a merchant to electronically collect a fee associated with the re-presentation of a check that is returned due to insufficient or unavailable funds. The resulting fee transaction if debited as an EFT from a consumer account is covered by the Electronic Funds Transfer Act and this disclosure. When a merchant re-presents a check Electronically, that transaction is not covered by the Electronic Funds Transfer Act or this disclosure. A description of the transaction will appear on your statement.

Liability for Unauthorized VISA Debit Card Transactions. The following limitations may be applicable to your accounts, except as provided by law:

The zero liability limit described below only applies to debit cards that are United States issued VISA Consumer Cards or VISA Business Cards for transactions processed through a VISA network or, for ATM transactions, a Plus network. The zero liability limit described below does not apply to: (a) other types of VISA commercial debit cards that are not VISA Business Cards; (b) transactions using your personal identification number that are not processed through a VISA network; and (c) ATM transactions which are not sent over VISA or Plus networks.

Tell us **AT ONCE** if you believe your VISA debit card has been lost or stolen or if you believe any unauthorized transactions have been made using your VISA debit card. Your liability for unauthorized VISA debit card transactions that are processed through a VISA or Plus network, as applicable, will be zero dollars (\$0.00). However, to the extent allowed under applicable law (see for example the Liability for Unauthorized **Transfers** paragraph below) we may hold you liable for the entire amount of an unauthorized transaction if we find, based on substantial evidence, that you have been negligent or fraudulent in the handling of your deposit account or VISA debit card.

For VISA Business Cards: An "unauthorized transaction" does not include any transaction allegedly conducted by (a) a business co-owner, (b) the cardholder or person authorized by the cardholder, or (c) any other person with an interest in or authority to transact business on the account.

To notify us of lost or stolen cards, or of unauthorized transactions, call or write to us at the telephone number or address set forth in the **Liability for Unauthorized Transfers** paragraph below. This will help prevent unauthorized access to your account and minimize any inconvenience.

If the money in your account is subject to legal process or other claim restricting such transfer.

If the transfer would go over the credit limit on your overdraft line.

If the ATM where you are making the transfer does not have enough cash.

If the terminal or system was not working properly and you knew about the breakdown when you started the transfer.

If circumstances beyond our control (such as fire or flood) prevent the transaction, despite reasonable precautions that we have taken.

There may be other exceptions stated in our agreement with you.

In Case of Errors or Questions About Your Electronic Transfers. For consumer accounts, telephone us at (307) 746-4411, or write us at FIRST STATE BANK OF NEWCASTLE, 24 N. SUMNER, P.O. BOX 910, NEWCASTLE, WY 82701 as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than sixty (60) days after we sent the FIRST statement on which the problem or error appeared.

Tell us your name and account number (if any).

Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.

Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days.

We will determine whether an error occurred within ten (10) business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty five (45) days to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10) business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten

{10} business days, we may not credit your account.

If a notice of error involves an electronic fund transfer that occurred within thirty (30) days after the first deposit to the account was made, the error involves a new account. For errors involving new accounts, point of sale debit card transactions, or foreign-initiated transactions, we may take up to ninety (90) days to investigate your complaint or question. For new accounts, we may take up to twenty (20) business days to credit your account for the amount you think is in error.

We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

If a notice of error involves unauthorized use of your point of sale debit card with the VISA logo when it is used as a VISA point of sale debit card, we will provide provisional credit within five (5) business days after you notify us instead of within ten (10) or twenty (20) business days. We may withhold providing this accelerated provisional credit, to the extent allowed under applicable law, if the circumstances or account history warrants the delay.

For business accounts, we will generally follow the procedures for error resolution described above, but we are not required to process a claim if you do not notify us within Thirty (30) calendar days after the statement is made available, to give provisional credit, or to investigate your claim within the time periods described above.

Use of this service is subject to existing regulations governing your account and any future changes to those regulations.

In the event either party brings a legal action to enforce this Agreement or collect amounts owing as a result of any Account transaction, the prevailing party shall be entitled to reasonable attorneys' fees and costs, including fees on any appeal, subject to any limits under applicable law.

Termination of ATM, POS and Audio Response Services. You agree that we may terminate this Agreement and your use of the ATM Card, POS or Audio Response services, if:

You or any authorized user of your ATM PIN, POS card or PIN or Audio Response PIN breach this or any other agreement with us;

Other Provisions. There may be a delay between the time a deposit is made and when it will be available for withdrawal. You should review our Funds Availability Policy to determine the availability of the funds deposited at ATMs. We reserve the right to refuse any transaction which would draw upon insufficient funds, exceed a credit limit, lower an account below a required balance, or otherwise require us to increase our required reserve on the account.

If we honor a stop payment request against an ACH/EFT received on or within three (3) banking days of the scheduled transfer, we do so without any liability or responsibility to any party having any interest in the entry. A stop payment order against an ACH/EFT is effective until the earlier of: (i) you withdraw the stop payment order, or (ii) the debit entry is returned, or, where a stop payment order is applied to more than one debit entry under a specific authorization involving a specific party, as such debit entries are returned. We may require you to provide us written confirmation of a verbal stop order request against an ACH/EFT within fourteen (14) calendar days.
